Woodwell "Mujingfang" Woodworking Tools Manufacturing Ltd.

Established in 1982, is currently the largest woodworking tools manufacturing base in the world. With an expansive team of passionate craftsmen, in 2004 Woodwell proudly extended its tools range to a *Premium Craftsman's Collection* to meet popular requests from worldwide hobbyists and DIYers. Nowadays our Craftsman's Collection creates functional and unique wood products of home and office featuring exotic hardwoods. If you need to gift a quintessential gadget to any of your friends, then this is the ideal gift.

For Home & Office:

J-Dock

Charge your smartphone device in a fashionable way with the exotic wooden docking station. Each piece of wood is carefully selected from premium ebony, rosewood, redwood and beech, then individually handcrafted by our woodcraft masters to create the best product for its very own shape and nature. Not only is the docking station completely unique in its design, it is even eco friendly.

- All docks below are compatible with iPhone 5, 5S, 5C, iPod Touch 5th gen. and iPad Mini using the Apple Lightning connector by default.
- Change to connector for Samsung, HTC or other makers by special request.

JHD01 Exclusive Ebony Log Docks

Ebony, considered the king of wood kind, yields a grand dark blackish-brown color. Ebony is most used to make inlays for luxury furniture, chess pieces, or keys on a piano. A 60 cm diameter tree would take 200 years to grow, making the dock the most exclusive accessory on any desks. Extremely limited Supply.

Wood Origin: Africa

JHD02 Refined Ebony Bark Dock

Surrounding the elegant dark chocolate brown heartwood is an outer layer of bark that is a contrasting golden beige. It definitely stands out from the typical white plastic jobbers that you see sitting on most desks. Wood Origin: Africa.

J-hoMe

Feng shui divides the world into five elements: wood, fire, earth, metal and water. The Wood element within us governs our sense of vision, the emotion of anger, and the sound of shouting. In a world of metals and concrete, natural wooden homepieces are essential to bring us serene and peace.

JHM01 Assorted Natural Hardwood Chopsticks and Spoon Rests (5pcs/set)

A set of 5 gives beautiful presentation with vibrant colors on the dining table. Made of ebony, rosewood, purpleheart wood and redwood, these exotic tropical hardwoods with tightly grained wood and small pores are best to reduce absorption of liquid and dirt a tropical wood; their natural oily resins also repel bacteria.

Optional: Change to knife + fork rests
